in the end.”**

**Wealth won in haste dwindles away,  
but he who gathers little by little  
will increase them.**

## Having the “Family Talk”

- Share what you plan to do in your estate and be available to answer questions.
- Let them know that *you* were the one who came up with your estate distribution plan.
- If you change your plan later or just prior to your passing, heirs will suspect you were persuaded by someone to favor them. There will be tension at your funeral, or they may never talk for the rest of their lives.

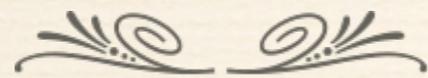

What do you want to hear at the end  
of your life?

Dr. Billy Graham

# 1 Timothy 6

## Verses: 17-19

*Trust in God*

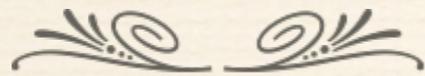

*Use money for good*

*Be rich in good deeds*

*Be generous, willing to share*

*A foundation for a real future*

&  
Eternity**

Prayerfully consider including your local church in your estate plans. You can't take it with you, but you can send it on ahead!
